The Honorable Mike Johnson  
Speaker  
U.S. House of Representatives  
Washington, DC 20515

Dear Majority Leader Thune and Speaker Johnson:

On behalf of the American Gaming Association (AGA) and its members, I thank you for your historic leadership in advancing the “One, Big, Beautiful Bill” and the pro-growth tax policies within it. This is a strong, forward-looking bill for the country, and we applaud both Chambers and the Administration for the collaborative effort that brought us to this point. We urge the Senate and the House to approve this legislation so it may be sent to the President’s desk without delay.

The U.S. gaming industry supports 1.8 million jobs nationwide, has a \$328 billion annual economic impact, and generates \$52 billion annually in tax revenue. Our industry’s ability to sustain quality jobs and deliver economic benefits is significantly enhanced by tax policies that support consumers, encourage business innovation and investment, and strengthen U.S. competitiveness. This package moves the country forward and enables industries like gaming to create jobs and drive investment in communities across our nation.

We appreciate your commitment to supporting a strong American economy through this legislation and look forward to working with Congress and the Administration to address remaining outdated tax policies that hamper investment and growth in our industry.

Sincerely,

William C. Miller, Jr.  
President & CEO  
American Gaming Association
