Dear Senate Majority Leader Thune and House Speaker Johnson,

Independent Women's Network urges members of the United States Congress to swiftly pass President Trump's once-in-a-generation "One Big, Beautiful Bill" that advances the rule of law, restores fiscal sanity and common-sense social safety-net reforms, and upholds the foundational principles that make our nation strong.

We need to move forward as a country, toward, as President Trump so aptly put it, peace, prosperity, and success. The One Big Beautiful Bill gets us there through much-needed tax cuts, a safe and secure border, and a plan for enormous economic growth. *Our Network's 60,000+ members* are thrilled to see that the bill extends education freedom and opportunity for students in K-12 public and private schools. Let's move forward together for the good of all Americans.

Ahead of a final vote on the "One Big, Beautiful Bill" in the United States Congress, **Independent Women's Network** is actively engaging with constituents across the country and encouraging them to contact their elected representatives in support of the bill.

Sincerely,

A handwritten signature in black ink, appearing to read "Julie Gunlock". The signature is fluid and cursive, with a large, stylized initial "J".
