The Honorable Mike Johnson Speaker,
United States House of Representatives

The Honorable Hakeem Jeffries Minority Leader,
United States House of Representatives

Dear Speaker Johnson and Minority Leader Jeffries:

On behalf of Ameriprise Financial, Inc., I write to express our strong support for the bipartisan *Incentivizing New Ventures and Economic Strength Through Capital Formation Act* (INVEST Act). The legislation would facilitate greater access to investment opportunities and reduce barriers that interfere with access to capital. More specifically, the legislation contains provisions to increase digital access to important investor information, remove barriers to investment options for retirement investors, and expand investment opportunities in regulated funds.

We urge Congress to swiftly advance the INVEST Act.

Thank you for your leadership and commitment to strengthening our capital markets and helping more Americans save for retirement and secure their financial futures.

Sincerely,
